Community Partner
Of the YMCA**
By Sponsoring one or more of these events
To support the Kids Campaign

◆ **Snowflake Ball (December 5, 2009)**

This is our signature event for the whole community that has become an annual tradition.

The YMCA and gymnasium is magically transformed (by volunteers) into a grand ballroom complete with lavish food stations, a live band, dancing and mingling with friends and members. .

◆ **Spring Social (March 24, 2010)**

This spring event is a fun way for people to gather together to support our mission. It is an evening that includes food, an entertaining live and silent auction, and a microbrew and wine symposium . This event provides a great venue to hear testimonials about the valuable work provided by the YMCA to kids and families in our community.

◆ **Healthy Kids Day/Activate America (April 17, 2010)**

This is a FREE community event for families. Our doors are opened for fun and games. We have information tables and a health fair venue so families can learn how to begin healthy habits right in their own homes.

◆ **YMCA Triathlon (September 11, 2010)**

The is a great event for competitive individuals, or anyone who wants to show their strength for the YMCA. This event is open to teams or individuals and the funds support Y fitness programs for everyone

The Concord Family YMCA serves the community by providing the time, place and support to be healthy every day. The YMCA has been here for over 156 years and multiple generations have found their place at the YMCA; whether it be swimming, playing basketball, meeting a new peer group in an exercise class, or having a great time with friends in the kYdstop after school program, child care or camp.
